FARM
of
PASCHKE
NORTH EAST, PA.

Wholesale **mum** List

The FARM of PASCHKE, growers of fruits, flowers and poultry, is pretty much a One Man's Family affair. The more than five acres of flowers is our "Fun" -- our Lovely Hobby.

All our chrysanthemums are Hardy Tested, here with no winter protection. We discard many varieties each year and get better varieties as fast as they prove themselves.

We sell divisions only in the spring. We feel sure this is the Cheapest and Best way. Our plants can be set at once direct to the field with no losses. We believe they are the Equal to Potted-plants.

WE GROW THEM FOR LESS AND SELL THEM FOR LESS
